

Hello all,

Hope you are doing well given the circumstances.

After careful review of the complaint made by Peter Zhuang against Victoria Pesce and Maha Sakina, the Judicial Board has **ultimately decided to dismiss the complaint** as per our *Judicial Board Code of Procedures Article 32*. Whereas our mandate pertains to interpreting and finding derogation from the Concordia Student Union regulations; we find no derogation in this case exists.

*32. The Judicial Board may dismiss a complaint if it feels that the **complaint is not within the mandate of the Board**. The Board will issue a brief written statement as to why the complaint is not receivable or within the mandate of the Board. If the party believes that they have new motives they must submit a new complaint that includes new evidence which changes the nature of the complaint. No complaint shall be dismissed without the board having met.*

*1. The Judicial Board of the Student Union shall, upon the written request of any member or member association, convene to; a. **interpret** these by-laws and the validity of regulations and resolutions enacted by the Council. b. declare invalid any act of any member who through his or her action **derogates from these by-laws** or from the constitution of any member association of the Student Union. c. **settle disputes** on matters concerning the Student Union between its members, officials and/or constituted bodies.*

*2. It is the duty of the Judicial Board to act upon **any violation to By-Laws** and constitutions of member associations that comes to light stemming from an ongoing investigation; even if such violations are not directly related to the original complaint.*

Furthermore, the Judicial Board would like to stress that allegations pertaining to racial discrimination are **extremely** serious and **should only be made with clear and supporting evidence**. This argument cannot be used loosely.

In addition, we find that the complaint at hand can be resolved in an informal manner. Due to the fact the issue does not breach any CSU regulations or Codes of Conduct; official intervention is not necessary. All evidence is attached to the email.

Should there be any questions on the matter; do not hesitate to contact us

Kind Regards,

Members of the Judicial Board
